

VFW National Home For Children

Mission Provide children and families of active-duty military, war veterans, and descendants of the **VFW** and its **Auxiliary**, opportunities for growth and development in a nurturing community, and to serve as a living memorial to all veterans.

History It was founded in 1925 as a place where the families left behind by war - mothers and children, brothers and sisters - could remain together, keeping the family circle intact even when their serviceman didn't come home.

Today's families face different challenges - reintegration, post-traumatic stress, high unemployment, and rehabilitation from battlefield injuries, among others - and the National Home has evolved over their decades-long history to meet these changing needs.
