

DEPT. of GEORGIA MEMBERSHIP PROMO – OCT. 2020

10/1/20

MEMBERSHIP NOVEMBER GOAL / ACTIVITIES

Hoping you, your family, your members, veterans, and community are doing well.

Remember, our Department has a **NOVEMBER 30** membership **GOAL of 95%**. Please do all you can to help us reach that goal. Also, there is a reward for the Auxiliary with **HIGHEST # of MEMBERS GAINED**. So, even if you have made 100% continue to shoot for the stars.

Have you been sending out membership dues notices? Calling members? Have you asked for volunteers to “Adopt-A-Member” either for annual dues or contribute to Life Membership for someone else? Have you asked family members to join/rejoin? You can even gift a qualifying Veteran’s grandchild with a membership in the Auxiliary for their sixteenth birthday.

Have you done any membership promotions? Try promoting through radio, newspaper, other local ad papers, restaurant TV’s, Facebook & other social media. Remember to recruit at Buddy Poppy Drives.

Have you done or are planning a Membership Training session? Have you asked your Post Commander if you could cross train before their meeting starts?

Has any member or has your Auxiliary recruited 5, 10 or 20 new/rejoin members?

Has your Auxiliary or Post (with your input) created a Brochure/Fact Sheet? Have you distributed one that contains info specific to your Post/Auxiliary? Include info on any volunteer work your Auxiliary does, Buddy Poppy Drives you do, events you host, etc.
