

Greetings Auxiliaries:

My name is Norma Stewart from Auxiliary 7720, Cornelia, GA and Madam President Dixie has asked me to finish the year as the Buddy Poppy Program Chair as Linda has had to resign. I have agreed to try my best.

First, I would ask that if you had an entry for the October conference, please send a picture and advise which of the three categories you are entering it in. These can be found in the National Program book in the Buddy Poppy Ambassador's page 19. The three categories are Public Display, Memorial, and Artistic. If you didn't do one for October, plan one now for February.

Second, if you are not already a member of the National Children's Home then I urge you to become one. It is supported entirely by VFW Posts and Auxiliaries and is a wonderful place. It only costs a one time fee of \$50 which includes your membership pin and you get monthly updates.

Also, please forward both your November and April reports to me at either my mailing address of:

Phone – Home: 706-886-2050

I look forward to working with you and making this our year to FOCUS: Fulfilling our Commitment of Unwavering Support for our Veterans.
