

Chief of Staff

Diane Ryan, PDP

Think of our organization as a body. The President, of all levels, is our Head.

Membership is the heart that beats in each member that renews, rejoins or joins this organization

The Chief of staff is the right hand and the Mentoring for leadership is the left hand

Members are the **life blood** of this organization.

Through recruiting, retaining, and educating our programs; we make a strong BODY to help serve our Veterans. Let's all work together to maintain this strong and healthy body!
